- a. Respect for the human rights of men and women including: respecting the dignity of men and women as individuals; no direct or indirect gender-based discriminatory treatment; securing opportunities to display abilities as individuals; eliminating human rights abuses between men and women physical, psychological, economical and other abuses such as sexual abuse;
  - b. Consideration of social systems or practices. Social systems and practices that reflect rigid gender-based division of roles shall be considered so as not to hinder a man or woman's unrestricted activity.
  - c. Securing joint in planning and deciding policies. Concerted efforts to promulgate gender and plan that shall secure opportunities for men and women as equal partners in society, to jointly participate in the planning and deciding of policies made by the municipality, business groups and other organizations.
  - d. Compatibility of family, work and other community activities. In upholding gender equity, men and women shall be able to, with mutual cooperation and support from society, take responsibility as household members and smoothly perform home-related activities, including child raising and nursing of family members while performing work and other activities in the community. Promote gender and development with the understanding that is a goal undertaken by the United Nations and shall be conducted with an international perspective; and
  - e. Ensure that men and women respect each other's gender and on decision on pregnancy, childbirth and other reproductive or sexual matters and for their lifelong physical and psychological health.

Section 4. Purposes. This Code aims to:

- a. Ensure the equal influence of men and women in decision-making and policy making in the society;
- b. Enable men and women to reconcile their occupational and family obligations ;
- c. Improve the status of men and women to reconcile their occupational and family obligations; and
- d. Ensure equal access to education.
- e. *Protect women in any form of abuse.*

Section 5. Definition of Terms. The following terms used in this Ordinance shall be defined as follows:

- a. "Gender" refers to the distinct roles assigned to men and women in any society. As a result, men and women assume distinct socially and culturally-defined responsibilities and tasks both within the household and in the wider community.
- b. "Development" pertains to men and women becoming empowered to bring about positive changes in their lives; personal growth together with public action; the process and the outcome of challenging poverty, oppression and discrimination and the realization of human potential through social and economic justice. Above all, it is the process of transforming lives and societies.

- c. "Gender and Development " (GAD) denotes the development perspective which recognizes the equal contribution of men and women in all aspects of development. Such a perspective involves the process of searching for new (and) innovative initiatives that would help transform unequal good relations into opportunities which will equitably uplift both men and women.
- d. "Gender Equality" means that men and women have equal conditions for realizing their human rights and potential to contribute to national political, economic, social and cultural development and benefit equally from the results.

**ARTICLE II**  
**Gender and Development (GAD) Programs**

Section 6. Planning for the promotion of Gender and Development. The Municipality of Asingan, Pangasinan shall initiate the Work and Financial Plan for the Promotion of Gender and Development where said plan shall be responsive to the needs of the times. The same shall be drawn through the consultative and participatory involvement of the non-government organizations and other concerned groups and agencies, and shall be incorporated in the Annual Development Plan, and short and long-term plans of the municipality.

Section 7. Legislative Measures. The Sangguniang Bayan shall ensure that in the enactment of legislative measures, issues and concerns on gender equality and development shall be taken into consideration.

Section 8. Health Programs. The municipality shall support gender-related health programs through the efforts of the Municipality Health Office.

- a. Maternal and Child Health. This Program emphasizes disease prevention and wellness promotion throughout the primary reproductive years to ensure better birth outcomes and good health for women as they grow older. This also promotes best practices in the conduct of advocacy and education campaign on issues related to pregnant women, new mothers and their infants. There should be a newborn screening to know or monitor if the baby has a congenital infirmities.
- b. Family Planning. This program aims to assist couples to practice responsible planning and decision-making reproductive health. It also intends to strengthen the implementation of reproductive health initiatives and activities in order to reduce unmet needs, high risk births, prevent abortions and improve sustainability.
- c. Nutrition Program. This program strives to safeguard the health of low-income families infants and children who are at nutrition risks by providing information on health, eating habits and referrals to health care. Among the activities under this program are supplementary feeding, deworming, free dental services and other future activities with the sale relevance.

Section 9. Social Welfare Programs. The Municipality of Asingan, Pangasinan shall support the following Social Welfare Program for Gender and Development.

- a. Crisis Intervention Center. A center where staff and trained volunteers are available to listen, provide basic services and needs such as counseling, health services, food, clothing and referrals to the proper agency that can assist them further.
- b. Gender Equality and Empowerment Program. A program designed to provide both men and women with coping mechanisms and skills to enable them to develop self-esteem and eventually maximize their potentials. Some of the activities in this program are Parents Effectiveness Services (PES), Solo Parenting and Women Counseling.
- c. Livelihood Program and Projects. These are innovative programs that enhance knowledge and develop skills to enable men and women to generate additional income. Among the projects under this program are livestock raising, food processing, bag making, soap making, candle making and other future undertakings with the same relevance.

Section 10. Protective and Legal Services. The Municipality of Asingan, Pangasinan shall support/institutionalize/establish the Protective and Legal Programs.

- a. Philippine National Police (PNP) Women and Children's Protection Desk (WCD). The municipality shall support the PNP Women and Children's Desk by allocating funds in its annual budget to ensure the operation of the same.
- b. Separate Detention Cell for Women. The municipality shall provide a separate cell for women to protect their dignity and ensure their safety despite the crime or offense they may have committed.

Section 11. Education and other GAD Programs. The municipality shall support/institutionalize/establish the following programs:

- a. Scholarship Program. The municipality shall continuously support the scholarship programs for poor but deserving high school and college students who are willing to comply with the requirements and maintain good grades.
- b. Awareness Program on Men's Role in Family Life. The United Nations Fund for Population Activities (UNFPA) defines the "new" father as one who:
  - a. Supports the mother during pregnancy and childbirth;
  - b. Has close relationship with his children;
  - c. Cooperates with his partner, and
  - d. Shares in household tasks

As such, the municipality shall promote a new ideal of fatherhood through seminars and information campaign programs.
